

FASTING & YOUR HEALTH

We recommend you consult your physician prior to beginning any type of fast. If you are poor in health or have concerns about your physical ability to fast, we especially urge you to consult a physician before beginning your fast. There are different types of fasts recommended on the following pages. Your doctor can provide advice on how you can participate on this 21-Day Fast in a way that is healthy for you.

HOW TO BEGIN

Start with a clear goal. Be specific. Why are you fasting? Do you need direction, healing, restoration of marriage or family issues? Are you facing financial difficulties? Ask the Holy Spirit for guidance. Pray daily and read the Bible.

PREPARING SPIRITUALLY

Confess your sins to God. Ask the Holy Spirit to reveal areas of weakness. Forgive all who have offended you and ask forgiveness from those you may have offended (Mark 11:25; Luke 11:4; 17:3-4). Surrender your life fully to Jesus Christ and reject the worldly desires that try to hinder you (Romans 12:1-2).

DECIDING WHAT TO FAST

The type of fasting you choose is up to you. You could go on a full fast, in which you only drink liquids, or you may desire to fast like Daniel, who abstained from sweets and meats, and the only liquid he drank was water. Remember to replace that time with prayer and Bible study. Another option is to fast social media or other media related avenues (i.e. TV, music, etc.) that tend to consume your attention.

DECIDING HOW LONG

We will be fasting for 21 days as a church. However, you certainly have the option to set a different timeframe based on your desire or situation. Most can easily fast from 1 to 3 days, but you may feel the grace to go longer, even beyond the 21 days that we are fasting corporately. Use wisdom and pray for guidance. Beginners are advised to start slow.

WHAT TO EXPECT

When you fast, your body detoxifies, eliminating toxins from your system. This can cause mild discomfort, such as headaches and irritability, during withdrawal from caffeine and sugars. Naturally, you will have hunger pains. Limit your activity and

exercise moderately. Take time to rest. Fasting brings about miraculous results. You are following Jesus' example when you fast. Spend time listening to praise and worship. Pray as often as you are able throughout the day. Get away from the normal distractions as much as possible, and keep your heart and mind set on seeking God's face.

HOW TO END

Don't overeat when the time comes to end your fast. Begin eating solid food gradually; eat small portions or snacks.

WHY SHOULD I FAST?

Are you in need of healing or a miracle?

Do you need the tender touch of God in your life?

Is there a dream inside you that only He can make possible?

Are you in need of a fresh encounter?

Do you desire a deeper, more intimate and powerful relationship with the Lord?

Are you ready to have heightened sensitivity to the desires of God?

Do you need to break away from bondages that have been holding you hostage?

Is there a friend or loved one that needs Salvation?

Do you desire to know God's will for your life?

We encourage you to seek the Lord in prayer and let your decisions about your biblical fasting come from Him. Ask the Lord to show you areas to target during your time of fasting and prayer. We believe, that as we pray, seek God and give Him our best at the beginning of the year, He will bless our ENTIRE year! (Matthew 6:33)

FASTING BASICS

According to the Bible, there are three duties of every Christian: give, pray and fast.

Biblical fasting takes a great deal of discipline and strength — strength which you can only receive from God. Your private discipline will bring you rewards in heaven, says Matthew 6.

When you give God your first through fasting, prayer and giving at the beginning of the year, you set the course for the entire year.
